

iGATE JOINS THE PRESTIGIOUS WORLD ECONOMIC FORUM'S COMMUNITY OF GLOBAL GROWTH COMPANIES

Bangalore, May 10 2007: iGATE Global Solutions (iGATE), the integrated technology and operations (iTOPS) company has been invited as a member of the World Economic Forum's (WEF) Community of Global Growth Companies (GGC). iGATE has been identified as one of the Global Growth Companies for demonstrating a clear potential in becoming a leader in the global economy, based on parameters such as its business model, growth record, leadership and the markets it serves.

The Forum's Community of Global Growth Companies are a new generation of companies coming primarily from rapidly growing emerging markets, such as China and India, and also include fast movers from developed economies. These new business champions are expected to fundamentally change the global competitive landscape.

In addition to the business new champions, the Forum is identifying and engaging the next generation of global leaders, fast-growing regions, competitive cities and technology pioneers from around the globe. All of the New Champion groups will be present and represented at the Annual Meeting of New Champions in Dalian, China, this September.

"It is with great pleasure I welcome iGATE to the exclusive Community of Global Growth Companies. iGATE is clearly part of a new generation of companies that will fundamentally change the global competitive landscape, and who are expected to emerge as global industry leaders within the next 5 to 10 years. I am confident that iGATE will provide and obtain valuable insight on how to address the challenges of hyper-growth. We look forward to welcoming iGATE to the inaugural Annual Meeting of the New Champions in Dalian as a representative of India's new breed of companies," said Peter Torreele, Managing Director and Member of the Board, World Economic Forum

"It is an honour to be welcomed as a new member of the league of Global Growth Companies formed by World Economic Forum. We look forward to the opportunity to work with like-minded companies such as ours; companies that firmly believe that providing innovative business models will change the world," said Phaneesh Murthy, Chief Executive Officer and Managing Director, iGATE Global Solutions.
